

# JBL® JEMBE™

Powerful two-piece entertainment speakers

Turn your computer or music player into a world-class sound machine with the JBL® Jembe™ speaker system. This powerful two-piece entertainment speaker system produces contemporary sound with big, bold performance for any computer, laptop or portable device that has a 3.5-millimeter auxiliary output – all while leaving only a small footprint in your listening space. The 2.0 computer speaker system improves any multimedia experience with uncompromised JBL sound. Use it with your computer or gaming system, or take a break from your headphones and hook up your iPod, iPhone or other MP3 player. A breeze to set up, the JBL Jembe achieves concert-quality sound in your home or office.
